**ONE YEAR HEALTH GUARANTEE FOR HIPS, HEART, AND EYES
FOR CUTE AND CUDDLY COMPANIONS**

This is a guarantee that your new puppy appears free of health issues (unless otherwise noted on the veterinary report). At the age of 5 to 7 weeks, this puppy was examined by a veterinarian, and unless otherwise noted on the report, appears normal and healthy. If you accept your puppy with the veterinary report that is given to you for the puppy you picked out and accepted, you take all responsibility for the puppy you picked out and accepted, you take all responsibility for the puppy and all vet bills you may accrue in the future if it is not covered by this health guarantee. This health guarantee covers hips, eyes, and an enlarged heart and is valid from the day the puppy is born until it is one year of age, and is void immediately thereafter.

Every puppy must see a licensed veterinarian within 10 days from leaving Cute and Cuddly Companions or the health guarantee is void.

This health guarantee does not cover any skin infection such as mange or lice that may occur after your puppy leaves our property. Fleas or parasites and any disease your puppy picks up after leaving our property are not covered; you must keep up with all these monthly treatments and vaccinations.

If your puppy develops a poor level, past fair of hip dysphasia, you must prove this hereditary and not caused by being overweight or an injury of any kind. Your puppy must be examined by a licensed veterinarian and the weight and age of the puppy must be listed along with the date of the exam. You must have an OFA or Penn Hip report completed to accompany your veterinarian exam report.

If your puppy is developing cataracts, has an enlarged heart, or a heart murmur, you must have a written statement from your vet proving this hereditary and not caused by an injury.

If your puppy has failing hips, an enlarged heart where the puppy must be euthanized or has hereditary cataracts, you have two options. I will either replace the puppy with another puppy of the same breed & gender from the first available litter, or I will refund the veterinarian costs up to the amount paid for the puppy. Any costs over the amount paid for the puppy are to be paid by you, the buyer.

Our goal at Cute and Cuddly Companions is to provide you with a healthy puppy that will stay in your family for years to come. We don't want to see your puppy with a health issue any more than you do. Please contact us if there is an health issue. By signing, both the buyer and seller agree to use honesty and trust, and have read and understand this health guarantee.
